PRODUCT GROUP LIST RETTER 2020

Which products or services do you offer? Please mark only those, as otherwise no entry in the product list of the exhibitor directory can be made. The product group list is part of the registration form.

Alarms
- Alarm systems
- Alarms
- Control centre technology
- Emergency call technology
- Radio equipment and devices
- Radio solutions

Boats
- Boats

Boilers
- Heating appliances

Car equipment and accessories
- Car interior fittings
- Heavy duty chassis
- Inspection and testing equipment, measuring instruments
- Lighting and visibility
- Navigation systems
- Vehicles superstructures

Cleaning
- Care products
- Cleaning supplies
- Cleaning systems, machines
- Hygiene and cleaning
- Washing machines and installations

Communication
- Telecommunication, accessories

Compressed air
- Breathing air compressors

Computer systems & EDP
- Communication technology
- Computer hardware and software
- Controls, operating elements, displays
- Online services
- Operational command and management
- Time recording

Counselling
- Accident prevention
- Associations, societies, work groups, organisations
- Climate and environmental consulting
- Coaching, driving technique courses

Electrical
- Batteries
- Battery-charging systems
- Electricity generators
- Emergency power generators

Electronic equipment
- Electronic equipment

Environment
- Environmental technology

Event supplies & equipment
- Event organisers
- Trophies, ribbons, badges

Fire engineering equipment
- Cabinets, shelves
- Containers, roller containers
- Drones, copters, flying robots
- Elevating rescue platforms
- Emergency lighting
- Exhaust gas extraction systems
- Extinguishers and extinguishing systems
- Extinguishing agents, foaming agents
- Fire engineering equipment
- Fire hoses
- Fittings
- Flood protection, retention of fire-fighting water
- Helmets, caps
- Hose and hose transport systems
- Hose bridges
- Oil spill equipment
- Operational clothing and uniforms
- Radiant tubes and monitors
- Thermal imaging cameras
- Wardrobes, cabinet systems
- Warning lights and acoustic devices; signalling equipment

Food
- Food, drinks, confectionery
- Ready-to eat meals & rations

Games and toys
- Toys

Gift articles
- Gift articles

Health
- Dressing material, plasters
- First aid
- Medical devices & instruments
- Preventive measures

Hydraulics
- Hydraulic equipment and accessories
- Hydraulic rescue equipment

Insect protection
- Pest control

Ladders and scaffolding, raised platforms, occupational safety
- Ladders and scaffolding

Leisure, sports & outdoors
- Bags, backpacks, accessories
- Diving equipment

Light technology
- Illuminants
- LEDs
- Light technology

Lubricants
- Lubricants

Magazines, media, tobacco products
- Calendars, posters
- Publishers, magazines, specialist books
- Specialist literature
Measuring and monitoring technology, analysis technology

- Measuring and monitoring technology, analysis technology

Occupational health & safety

- Access technology
- Disinfection of persons and vehicles
- Ear protection
- Explosion protection, protection against toxic substances
- Eye and face protection
- Fall protection equipment
- Foot protection
- Hand protection
- Head protection, helmets
- Height rescue, depth rescue
- Hygiene and sanitary supplies
- Load securing
- Machine protection equipment
- Noise reduction, sound insulation, vibration protection
- Occupational health
- Occupational safety
- Personal protective equipment (PPE)
- Protective clothing
- Respiratory protection
- Safety shoes
- Signs, information and warning signs
- Skin protection
- Work and orthopaedic shoes
- Work gloves
- Workwear

Pumps

- Pumps
- Waste water pumps, cleaning systems
- Water pumps

Rescue service

- Carriers and accessories, chairs, transport systems, loading and unloading systems
- Defibrillators, resuscitation equipment
- Emergency cases, doctor’s cases, emergency bags and backpacks
- Emergency medical equipment
- First aid equipment and materials
- Medical devices
- Rescue service
- Suction and respiratory equipment
- Telemedicine/tele-EMS physicians

Restoration

- Fire damage restoration
- Water damage restoration

Ropes

- Ropes and rope winches

Safety

- Access systems
- Building safety
- Burglary and theft-prevention systems
- Civil protection, public safety
- Control and monitoring systems
- Defensive fire protection
- Disaster control
- Escape route systems
- Evacuation systems
- Extinguishing systems for buildings
- Fire protection
- Fire protection doors, flaps, glass
- Guard services, personal protection
- Information security, data backup
- Laws, norms
- Lightning protectors
- Occupational safety
- Preventive fire protection
- Radiation protection, measuring devices
- Safes, key cabinets
- Smoke and fire detection systems

Special-purpose vehicles

- Emergency and special purpose vehicles

Tents

- Awnings
- Tents

Tools

- Electrical measuring and testing appliances

Tools, workshop and factory equipment

- High pressure cleaners

Tourism

- Boat trips, cruises
- Bus travels
- Excursion destinations
- Hotels, apartments, guesthouses

Uniforms

- Uniforms

Vehicles, accessories

- All-wheel vehicles
- Electric vehicles and bicycles

Vehicle construction and equipment

Wellness

- Massage devices, massage furnishings
